INTRODUCTION/BACKGROUND

As part of the development of Councils yearly budget, the miscellaneous fees & charges are reviewed across Departments for further Council consideration and adoption for the upcoming financial year.

CORPORATE/OPERATIONAL PLAN

5.6 Good Governance

5.6.1 Commit to open and accountable governance to ensure community confidence and trust in Council and our democratic values.

POLICY IMPLICATIONS

Nil

STATUTORY REQUIREMENTS

Local Government Act 2009 Section 98 – Register of cost-recovery fees

1. A local government must keep a register of its cost-recovery fees.

FINANCIAL REQUIREMENTS

On average a 2.5% CPI Increase has been applied to the Fees, individual variations.

RISK MANAGEMENT

Not communicating the changes to the wider public. Mitigating this in May to phase in and allow this communication.

CONSULTATION

Managers prepared their relevant fees & charges. Report was then sent out to relevant staff members (Reviewing officers) in each department to review and amend if required. Once reviewing officers had completed their fees they were then sent onto the relevant Manager/Supervisor (Approving Officers) to approve.

RECOMMENDATION

That in accordance with section 97 and 98 of the *Local Government Act 2009*, Council adopt the 2018-19 Fees & Charges as presented.

Planning

1. Fees for applications not covered in this schedule will be determined by Council at the time of application.
2. Fees may be negotiable under special circumstances. Council may waive or partially waive a development application fee where:-
Strict application of the scheduled fee is obviously unreasonable for the type of application being received, and/or
If, because of the nature of the application there will be lower costs incurred by Council in processing the subject application
Requests for fee reduction must be made in writing and lodged with the application and will be determined when the application is decided at which time the agreed reduction will be refunded.
3. If a review of a technical report is required to be outsourced by Council, the cost of that review is to be paid by the applicant.
4. Fees for a combined application are to be the sum of the fees that would have been required in the event of a separate development application being lodged. Combined Applications involve more than one type of development and/or multiple land use.
5. Any application not accompanied by the required application fees can not be processed under PA 2016 because such an application will not be a 'properly made application' as stipulated under this Act. Delays may occur until the appropriate fee is submitted to Council. Applicants are urged to discuss fees with Council staff before lodging any Development Application.
6. The Planning fees nominated for MCU's, ROL's and Op Works are inclusive of the lodgement fee (\$155), assessment fee and inspection fees.
7. Inspections of completed projects are mandatory. If any inspection of such is failed and a reinspection is required the fee will be \$170.00 for sites within 10km of the post office. For distances greater than 10km – fee to be advised.
8. 48 hours notice is required before any inspection.
9. Preliminary Approvals are charged at 90% of the Development Permit cost for that the same Development.
10. Council will provide prelodgment advice up to the value of \$300 (consultant costs + staff time). This will be calculated by the hours spent assessing the enquiry and providing advice to the applicant.
11. Referral Agency fees are additional to those listed herein and are to be paid by the applicant directly to the appropriate Govt. Agency/Dept.
12. Request to change development approval / Negotiated Decision Notice. Note: Maximum fee will not exceed the original application fee. Where the proposed modification does not constitute a permissible change in the terms of the Act, a new application must be lodged together with the prescribed fee.

Plumbing

1. Plumbing and Drainage Application fee is made up from the total of the following fees: Lodgement + Assessment + Inspection = Total. Connection fees for water and sewerage are separate and additional.

2. Projects "out of the ordinary" or not covered in this fee schedule – fees to be determined by Council.

3. All documents and fees MUST be submitted with an application.

4. INSPECTIONS

a) All Inspections for Plumbing and Drainage work must be done by Council

b) Plumbing and Drainage inspections are MANDATORY and are required at the following stages: U/Slab, external trenching, plumbing rough in, final and/or as determined by the Plumbing Inspector

c) The Inspection fee (s) quoted is based on the assumption that the location/site of the inspection is within 10km's from the nearest PO. If the location/site is greater than 10km's from the nearest P.O the fee will increase and be charged at the rates in the table here in.

d) A minimum of 48 hours notice is required before any inspection day/time, this includes any changes to a previously booked time.

5. The number of inspections required may vary from those stated above depending on the complexity of the project. If additional inspections are required the fees are payable before the issuing of the Development Permit or at the time stipulated by Council.

6. If any inspection is failed, a reinspection will be required. Refer inspection fees.

7. Large projects to be Engineered designed and certified.

8. For Trade Waste Fees and Charges refer to "Environmental Health" section of this document.

9. If a dwelling has more than 10 fixtures and/or more than one treatment plant then an additional \$155.00 extra fee applies.

10. If a review of a technical report is required to be outsourced by Council, the cost of the review is to be paid by the applicant.

11. Building

1. Building Application fee is made up from the total of the following:– Lodgement Fee + Assessment + Inspections = TOTAL. The lodgement fee covers Councils Administration and Archive functions.
2. For Projects 'out of the ordinary' or not covered in this fee schedule – fees to be advised by Council.
3. Fees maybe negotiable under special circumstances e.g. Removal house bonds
4. All documentation must be submitted with an Application. Consult with Council Development Services staff regarding the information/documentation required.
5. Plumbing / Drainage, Planning Fees and other Authority Fees are separate and additional.
6. The floor area referred to for the calculation of fee is on the gross area of all floors comprised within the building measured over the enclosing walls thereof plus the area of any verandah, roofed terrace or patio, garage or carport comprised within or attached to the building:
7. If a review of a technical report is required to be outsourced by Council, the cost of that assessment is to be paid by the applicant. The assessment of the Energy Efficiency component of an application may also be outsourced by Council. To avoid the cost of such applicants are encouraged to submit a Form 15 (Compliance Certification by a Competent Person).
8. Referral Agency fees, e.g. QFES, are additional to those herein and are to be paid by the Applicant directly to the appropriate Govt, Dept.
9. Note – unless stated otherwise, the total fee or bond listed against an individual Item/Description is for one application, permit etc. only
10. If a Removal house has been approved by a Private Certifier, any request for release of part or whole of the Bond (refer to 8 items listed under Building Bonds – Removal House) must be accompanied by verification of completion for each of those items. Should the verification of completion not be satisfactory to Council or not be provided, Council may need to undertake an inspection of the work to substantiate the extent of work claimed in the Bond release request. Any inspection done by Council will be charged out at the rates listed therein.
11. All Cost Recovery fees for applications and related functions and for giving of information kept by council have been adopted by council under Section 97 of the Local Government Act 2009, the Planning Act 2017 and the Building Act 1975. All commercial fees for the provision of services which require a GST payment have been adopted by council under Section 262(3)(c) of the Local Government Act 2009.

INSPECTIONS

- (a) Inspections are mandatory. Note: the inspection fees quoted are for inspections within 10km of the nearest major towns post office. For inspections greater than 10km from the post office refer to table herein.
- (b) Class 1a & 1b (dwelling)

Building [continued]

three (3) inspections are required for dwelling on stumps (Building inspections only)

four (4) inspections are required for dwelling – slab on ground. However, if footing and slab are poured as one – only three (3) inspections are required.

(c) Class 2 to 9 buildings – normally three (3) inspections (Building inspections only). Exact number of inspections to be confirmed and applicant advised.

(d) The number of inspections required may vary from those stated above depending on the complexity of the project. If additional inspections are required the fee is payable before issue of the Development Permit.

(e) Where an application is lodged with, and a Development Permit issued by the Council, the carrying out of the required inspections, as nominated in the decision notice and schedules is to be done by Council's Building Certifiers unless they agree to these inspections being done by others (Competent Person).

(f) If slab and frame inspections are done by others, Council's fee for accepting each certification and administration thereof = \$30.00. Each certification is to be received by Council within 5 business days of inspection date.

(g) The footing and final building inspection must be done by Council's Building Certifiers if the application has been lodged with and approved by Council.

(h) If any inspection is failed a re-inspection is required. Refer inspection fees.

(i) 48 hours notice is required before any inspection day/time, this includes any changes to a previously booked time. Should Council not be able to carry out this inspection, we will arrange for a "Competent Person" to carry out the inspection. Any additional costs in doing such may be charged to the applicant.

(j) Where an application involves two (2) or more buildings – eg. additions to dwelling and detached shed a lodgement fee is required for each structure.

(k) Council reserves the right to refuse to undertake inspections for a third party.

INTRODUCTION/BACKGROUND

The purpose of this report is to provide information to Council on the actions undertaken against the 2017-18 Operational Plan for the period 01 January 2018 through to 31 March 2018 - Q3.

An operational plan is a legislative requirement under the *Local Government Act 2009* and the *Local Government Regulation 2012*, and is a strategic document that details the operational direction for Council over a 12-month period.

The Operational Plan highlights our significant projects and activities for the year that are of most interest to Council and our communities. It can include:

- Outcomes and strategies directly from the Corporate Plan.
- Programs that the organisation has in place.
- Outputs that will deliver the strategies in the Corporate Plan.
- Significant projects and activities
- Performance measures to track progress and identify milestones and achievements.

CORPORATE/OPERATIONAL PLAN

5.4 Future financial sustainability

5.4.1 Undertake robust and accountable financial, resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community

5.6 Good governance

5.6.1 Commit to open and accountable governance to ensure community confidence and trust in Council and our democratic values

5.6.2 Compliant with relevant legislation

POLICY IMPLICATIONS

Council's actions are in accordance with the adopted Corporate and Operational Plans.

STATUTORY REQUIREMENTS

Local Government Act 2009

Local Government Regulation 2012

FINANCIAL REQUIREMENTS

Budget expenditure in accordance with adopted budget

RISK MANAGEMENT

Compliance with any statutory requirements and policy responsibilities.

CONSULTATION

Internal consultation has been conducted with the Executive Leadership Team, Mayor and available Councillors.

RECOMMENDATION

That North Burnett Regional Council receives the Q3 Operational Plan report for the 2017-2018 financial year.

INTRODUCTION/BACKGROUND

Council received a letter from the Department of State Development Manufacturing, Infrastructure and Planning (DSDMIP) Director General Rachel Hunter dated 30/05/2018 announcing a \$10m pilot project for a Regional Export Distribution Centre (Attachment 1). The funding is to support a business case and capital works which is further explained in Attachment 2

By definition from the Department website “The Regional Export Distribution Centre is to be located at or near a regional export-ready airport, to allow regional growers and processors to easily access international export markets.”

The definition of an export distribution centre is “A specialised facility which offers temperature-controlled warehousing of products ready for export. The centre will coordinate transport, logistics and delivery of the products and administer export regulation procedures.”

Council has received the initial letter of from DSDMIP and subsequent further advice that Council is eligible from both an organisation category and location. Eligibility criteria announced on the Departmental website are “Proponents will need to be capable of operating a commercial export distribution centre. Potential proponents may be drawn from across the agricultural supply chain from farmers, cooperatives, processors and freight and logistics companies through to airport owners and operators and private investment companies.”

The announcement is the first call for a register of interest (ROI) in being assessed for the funding.

Subsequent to the ROI an expression of interest (EOI) process will be held July 2018. It is not mandatory to have an ROI submitted to be eligible for participation in the EOI process.

RECOMMENDATION

That clarification is sought on the following before any resolution is made to register either an ROI or EOI

1. Definition of “near” a regional export ready airport
2. Eligibility of NBRC for an ROI as the two sources of Departmental advice slightly differ

Dear Mr Pitt

I am writing to advise you of the Queensland Government's commitment to provide up to \$10 million (excluding GST) from the \$130 million Jobs and Regional Growth Fund to support business case development and construction of a pilot export distribution centre in regional Queensland.

The Regional Export Distribution Centre Pilot aims to capitalise on Queensland's global reputation as a leader in the production and processing of quality agricultural products. By increasing rapid export access to international markets, Queensland's regional producers will have opportunities to expand into new markets, create jobs and boost productivity. The range of possible export produce could include high-value fresh fruit and vegetables, seafood, packaged meat, nuts and cut flowers.

The Department of State Development, Manufacturing, Infrastructure and Planning (DSDMIP) is intending to run a competitive selection process to identify a preferred proponent to develop the Regional Export Distribution Centre Pilot. An invitation for expressions of interest (EOI) is scheduled for release in July 2018.

As a precursor to the EOI, DSDMIP will seek Registrations of Interest (ROI) from parties interested in considering this opportunity. The ROI is open now and will close at 5.00 pm on 29 June 2018. The purpose of the ROI is to provide the State with a snapshot of the range of prospective projects and entities that might be proposed in the subsequent EOI process, and to stimulate comments and insights from the market. Interested parties will be able to consider the opportunity and have time to explore possible partnership arrangements or investigate export markets ahead of the launch of the EOI.

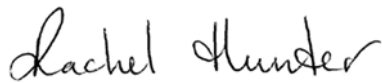

The Queensland Government will support the successful proponent to develop the business case of a Regional Export Distribution Centre Pilot. If the project is demonstrated to be feasible, the proponent will be supported to complete approvals processes, secure finance and build a commercially viable facility.

Given the integral role of regional councils in this process, I felt it vital that notice be provided to chief executive officers, along with the official public announcement today.

Further information regarding this initiative will be available via www.dsdmip.qld.gov.au/export. Alternatively, please contact Mr Chris Le Serve, Director, Jobs and Regional Growth Fund, in my department, on (07) 4037 3210 or Chris.LeServe@dsdmip.qld.gov.au, or contact the department's REDC Pilot team on (07) 3452 7499 or REDCPilot@dsdmip.qld.gov.au.

Regional cities to bid for \$10 million fresh produce distribution centre

Regional communities are set to benefit from plans for a new \$10 million export distribution centre, with a call for registrations of interest opening today.

In a major employment boost for the agriculture sector, the Palaszczuk Government will construct a high-value produce export distribution centre in regional Queensland.

Minister for State Development and Infrastructure Cameron Dick joined Minister for Agricultural Industry Development Mark Furner at the Fresh Produce Group Distribution Centre at Rocklea's Brisbane Markets to inspect some of the state's freshest and finest export produce.

"The Palaszczuk Government made a commitment to provide up to \$10 million from the Jobs and Regional Growth Fund to fund a business case and capital investment for an export distribution centre in regional Queensland," Mr Dick said.

"The funds will seek to supercharge growth in Queensland's agricultural sector by increasing the export and value of time critical produce.

"The aim is for our high-value produce to have rapid access to key international markets and to grow employment opportunities in surrounding regional areas.

"We're currently at the registration of interest stage, which will promote market awareness. An expression of interest stage to seek detailed proposals will follow."

Mr Dick said the export distribution centre would be built in an area close to agriculture and near an export-ready regional airport.

“The centre could include processing capacity, export biosecurity capabilities, cold storage and handling facilities to support agricultural exports,” he said.

“Potential proponents across the agricultural supply chain, from farmers, cooperatives, agricultural processors and distributors, freight and logistics companies through to airport operators and private investment companies are invited to register their interest today.”

Mr Furner said the centre would boost agricultural output, help grow job opportunities and lift the economy in regional Queensland.

“As I travel around the state and meet with farmers, I see firsthand the high standard of produce we create here in Queensland,” he said.

“By increasing capacity we can export more of our freshest and finest produce such as fruit and vegetables, seafood, meat and cut flowers to flourishing overseas export market.”

Despite a debilitating record drought and recurring natural disasters, Mr Furner said the value of Queensland’s agricultural production was nearly \$20 billion this year, representing a significant increase of 11 per cent over a five-year average.

“This export centre is another step to ensure the agriculture sector has the backing it needs from the Palaszczuk Government to continue to grow,” he said.

“Collectively, our farmers already support more than 300,000 jobs, and we will continue to grow this sector to create even more jobs for regional Queensland.”

Queensland mango producer Marie Piccone said the Palaszczuk Government’s proactive support has seen the industry grow and producers look forward to seizing the potential for further growth including export.

“We’re embracing the opportunity to continue to work in collaboration with the Queensland Government on initiatives and investments to build on the success of our business and other agricultural businesses,” Ms Piccone said.

Registrations close 5pm, 29 June 2018. Parties can register via [dsdmip.qld.gov.au/export](http://www.dsdmip.qld.gov.au/export) (<http://www.dsdmip.qld.gov.au/export>)
