Attachment 1 – Conditions to be imposed by Concurrency Agency

No.	Conditions
General	
1.	Unless otherwise stated in a particular condition, all conditions must be completed prior to the completion of building works, or issue of a final certificate, whichever is the sooner, unless otherwise agreed to in writing by the Concurrence Agency.
2.	All conditions of the Amenity and Aesthetics approval are to be completed prior to issue of Form 21.
Design and Siting	
3.	The approved shed must be sited a minimum 1 metre from the north-western property boundary (adjoining 13 Pine Street), with all setbacks measured from the wall of the structure.
4.	The floor area of the approved shed must not exceed 75m ²
5.	The wall height of the approved shed must not exceed 2.4 metres.
6.	The overall height of the approved shed must not exceed 3.5 metres measured from natural ground level.
7.	Utilise colours in the development that are sympathetic to the surrounding environment and avoid excessive brightness, contrast, colour intensity, and reflectivity. In this regard, materials/colours on the roof and wall of the structures must not reflect glare into the habitable rooms of any dwelling on surrounding allotments.
Use	
8.	The approved shed is to be used for private/domestic purposes only. The approved structure must not be used as a separate domicile/dwelling or used for any industrial/business use unless valid development approvals are granted for such uses. To this end, the use of any of the approved building/s associated with this approval must be ancillary and incidental to the predominant use of the site for a Dwelling Unit
9.	The approved shed must not be used for habitable purposes.

Attachment 1B – Advice Notes

A.	This Concurrence Agency Response does not represent a development approval for Building Works under the <i>Building Act 1975</i> .
B.	All building works the subject of this notice can only proceed once a development permit for building works is issued by a Building Certifier.
C.	Please note this amenity and aesthetics assessment pertains to the approval of a class 10 building only (defined as Domestic Carport, Shed and Garage (10a)). It is recommended that clarification from a Building Certifier be sought to ensure that an appropriate building classification is applied to align with the building size, purpose, use and intent of operations within the building.

Attachment 2 – Reasons for decision to impose conditions

The reason for this decision are:

- To ensure the development is carried out generally in accordance with the plans of development submitted with the application.
- To ensure that the development is carried out in accordance with the performance criteria as stated in the Queensland Development Code MP1.2.
- To ensure that the development is carried out in accordance with the performance criteria as stated in the North Burnett Regional Council Planning Scheme V1.4.
