\*Uncontaminated including tree waste and grass clippings.

\*\*Lounge chairs, sofa beds, bookshelves, tables, wardrobes, desks, tv units, cabinets, wall units, outdoor furniture, pallets, rolls of vinyl and carpet or anything that requires crushing.

\*\*\*Excluding tyres/asbestos.

<sup>^</sup>Deemed weight fee determined by the State Government, and charged to Council for each vehicle type.

The State Government charges for the different waste types - however for indicative purposes the Domestic General Waste Fee has been included.

**Commercial and Industrial Waste** including waste generated from manufacturing, industrial activity, mining, recycling, wholesale or retail trading, accommodation or hospitality services, primary industries, health, education, charity, church, entertainment events or business activities.

**Construction and Demolition Waste** generated from buildings works, including waste from building, repairing, altering, demolishing infrastructure for roads, bridges, tunnels, sewerage, water, electricity, telecommunications, airports, docks or rail.

**Mixed loads** will be charged at a higher rate, it is recommended to separate items prior to arrival at the facility.
