Dear Sir / Madam

**RE: DEVELOPMENT APPLICATION FOR RECONFIGURING A LOT – 2 LOTS INTO 2 LOTS
AT MIDDLE BOYNE ROAD, BOYNEWOOD ON LAND DESCRIBED AS LOT 78 ON
MZ347 AND LOT 85 ON SP289060**

Thank you for the above-mentioned development application lodged with the North Burnett Regional Council on 06 October 2022 and taken to be properly made on 14 October 2022.

Please find attached the Decision Notice for the above-mentioned development application.

Sections 71 and 72 of the Planning Act 2016 identifies when a development approval has effect and the development may start. In summary, a development approval generally has immediate effect, except when—

- if there is an appeal, after the appeal has ended;
- if there is no appeal but there was a submitter, all submitters have notified the Council that they will not appeal the decision, or when the last appeal period ends.

Please quote Council's application number: DA220043 in all subsequent correspondence relating to this development application. Should you require any clarification regarding this matter or wish to schedule a meeting, please contact Council's Development Services team on telephone 1300 696 272.

Yours sincerely

for

Attachment 1 – Conditions Imposed by Assessment Manager

General

- 1) Carry out the approved development in accordance with the approved plans and documents identified in section 5 “Approved plans” of the decision notice approval, except as modified by the conditions of this approval as relevant.
- 2) Where there is any conflict between conditions of this approval and details shown on the approved plans and documents, the conditions prevail.
- 3) Exercise the approval and complete all associated works, including any relocation or installation of services, at no cost to Council.
- 4) Comply with all the conditions of this development permit prior to the submission of the request for the approval of a Plan of Subdivision, unless otherwise explicitly identified

Existing Services and Structures

- 5) Ensure all existing and proposed utility services and connections (e.g. electricity, telecommunications, water, and sewerage) are wholly located within the lot they serve.
- 6) Certification must be submitted to the council from a cadastral surveyor which certifies that:
 - (a) the boundary clearances for any existing buildings that are to remain on the site comply with the relevant provisions of the planning scheme and the *Building Act 1975* (unless varied by this development approval), where boundary clearances for buildings other than class 1 or 10 buildings are to be determined by a building certifier
 - (b) all existing and proposed utility services and connections are wholly located within the lot they service or alternatively within easements;
 - (c) all existing effluent disposal areas are wholly located within the lot they serve and comply with the boundary setback requirements of the *Plumbing and Drainage Act 2002* and associated codes and requirements, as determined by a building certifier or other suitably qualified professional.
 - (d) all dams (including ponded water, dam walls and associated spillway structures) are wholly within the boundaries of a single lot.

Advice to the applicant

- Unless otherwise explicitly identified, all conditions of this development permit must be completed to Council’s satisfaction prior to the Subdivision of Plan being endorsed by Council.
- This approval relates to development requiring approval under the *Planning Act 2016* only. It is the applicant’s responsibility to obtain any other necessary approvals, licences or permits required under State and Commonwealth legislation or council local law, prior to carrying out the development. For information about State and Commonwealth requirements please consult with these agencies directly.
- This development approval does not authorise any activity that may harm Aboriginal cultural heritage. Under the *Aboriginal Cultural Heritage Act 2003* you have a duty of care in relation to such heritage. Section 23(1) provides that "A person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal cultural heritage." Council does not warrant that the approved development avoids affecting Aboriginal cultural heritage. It may therefore be prudent for you to carry out searches, consultation, or a cultural heritage assessment to ascertain the presence or otherwise of

Aboriginal cultural heritage. The Act and the associated duty of care guidelines explain your obligations in more detail and should be consulted before proceeding.

- The approval does not require the construction of any additional vehicular access, however, any new access would need to be constructed in accordance with Council's standards in its standard drawings NBRC R1012 or NBRC R1013.
- All rates, charges or any expenses levied by Council over the land must be paid prior to the Subdivision Plan being endorsed by Council.
