Schedule 2-reasons for decision to impose conditions
Schedule 3-appeal rights
Schedule 4-plans

Schedule 1 – Conditions to be imposed

No.	Conditions
General	
1.	Unless otherwise stated in a particular condition, all conditions must be completed prior to the completion of building works, or issue of a final certificate, whichever is the sooner, unless otherwise agreed to in writing by the Concurrence Agency.
2.	Payment of \$12,000 Bond plus \$260 administration fee prior to the building being relocated into the North Burnett area. The bond is to ensure that any building work required to comply with current regulations is completed within the currency period of the application. This bond can be paid in cash, bank cheque, EFTPOS, electronic transfer or unconditional Bank Guarantee. The bond is retained in Council's Trust Account and will be returned to the Payee upon satisfactory completion of the building.
Design and Siting	
3.	All conditions of the Amenity and Aesthetics approval are to be completed prior to issue of Form 21.
4.	Utilise colours in the development that are sympathetic to the surrounding environment and avoid excessive brightness, contrast, colour intensity, and reflectivity. In this regard, materials/colours on the roof and wall of the structures must not reflect glare into the habitable rooms of any dwelling on surrounding allotments.
5.	To further minimise the impact on the adjoining property to the east – a fast growing dense evergreen visual vegetation barrier to approx. 5m's high is to be established, for example 'old hami' clumping bamboo. Also install and maintain a sprinkler/dripper system and use to maximise growth of the vegetation.
6.	The barrier is to begin 30 metres from the Richard Street boundary and extend to 3 metres past the rear wall of rear building.

Schedule 1B – Advice Notes

A.	This Concurrence Agency Response does not represent a development approval for Building Works under the <i>Building Act 1975</i> .
B.	All building works the subject of this notice can only proceed once a development permit for building works is issued by a Building Certifier.

Schedule 2 – Reasons for decision to impose conditions

The reason for this decision are:

- To ensure the development is carried out generally in accordance with the plans of development submitted with the application.
- The Amenity and Aesthetics policy adopted by North Burnett Regional Council on the 4 November 2016 states that matters for consideration are to be the architectural style, building form, construction materials and physical condition of the proposed structure complements the existing locality and surrounding pattern of development.
