Generally In Accordance with Existing Approval DP1199/04

Dear Bruce,

Thank you for your recent request under section 78 of the *Planning Act 2016* to make a minor change to existing approval DP1199/04: MCU—Intensive animal husbandry at 340 Derra Road, Mundubbera (on land described as Lot 23 on NT55 and Lot 48 on NT61).

The documents submitted with the change application, in particular the drawing received by email on 8 May 2018 and subsequently stamped by Council as “replacement site layout for DP1199/04” are generally in accordance with development permit DP1199/04. Council therefore considers that no amendments to this development permit are required. As the number of standard cattle units would stay the same, the rearrangement of the pens would not result in substantially different development or increase the scale and intensity of the use of the premises.

Please quote Council’s application number: 78/18 in all subsequent correspondence relating to this development application. Should you require any clarification regarding this matter or wish to schedule a meeting, please contact Council’s Development Services team on 1300 696 272.

Yours sincerely,

MJP Pitt
