Attachment 2 – Reasons for decision to impose conditions

The reason for this decision are:

- To ensure the development is carried out generally in accordance with the plans of development submitted with the application.
- Under *Planning Regulations 2017* Schedule 9, Division 2, Table 7, Council can set an amount for security of the works and the *Building Act 1975* s93 allows for the security to be release. The amount of this security bond has been set by the North Burnett Regional Council under Council resolution adopted on the 15 June 2016.
- The currency period for a resited structure is legislated by the *Building Act 1975* s71(3)
- The Amenity and Aesthetics policy adopted by North Burnett Regional Council on the 4 November 2015 states that matters for consideration are to be the architectural style, building form, construction materials and physical condition of the proposed dwelling complements existing houses in the locality and surrounding pattern of development.
