***Excluding tyres/asbestos.

[^]Deemed weight fee determined by the State Government, and charged to Council for each vehicle type.

The State Government charges for the different waste types - however for indicative purposes the Domestic General Waste Fee has been included.
Commercial and Industrial Waste including waste generated from manufacturing, industrial activity, mining, recycling, wholesale or retail trading, accommodation or hospitality services, primary industries, health, education, charity, church, entertainment events or business activities.

Construction and Demolition Waste generated from buildings works, including waste from building, repairing, altering, demolishing infrastructure for roads, bridges, tunnels, sewerage, water, electricity, telecommunications, airports, docks or rail.

Mixed loads will be charged at a higher rate, it is recommended to separate items prior to arrival at the facility.
